Dear Mr Weisberg

In the Warren Report
Summary - Page 730. Mexico
City - last ~~line~~^{sentence} of words -
"Oswald Stated that he was
employed at '640 Rampart
Street'; he was in fact
unemployed - (See Conn Ex. No's
2478 & 2481; P 300 - Quote Report)

Fred says - this is
probably North Rampart -
As South Rampart is out of
Quarter - mostly colored &
North Rampart - is mostly
Cuban - in Quarter -

What was his address ???
Dondon Douel owned a Bar
in N.O. on Rampart - in the
Cuban Area - did he have it
on Sept - Oct - 63? If not what &
who's address is it? What Oswald
pulled out of thin air - BEFORE
the ~~assassination~~^{murder}? I wish I had
a 1963 N.O. Cross Cross - or the

full Chronology of Borden
Noels^{life} But, I have nothing
but the 1966 Dec. Photo Book
✓ + old N.O. map -

Sincerely

Gratefully

Lori Halford
